THE CONTRACT OF INSURANCE

This policy is a legal contract. You must tell Us about all material circumstances which affect Your insurance and which have occurred either since the policy started or since the last renewal date. circumstances in which it occurred. You show that non-compliance with the term could not have been excluded, limited or discharged Our liability under this policy if then We agree that We may not rely on the non-compliance loss at a particular time, loss at a particular location, and/or loss at a particular time, then We agree that We may not rely on the non-compliance to exclude, limit or discharge Our liability under this policy if You show that non-compliance with the term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

**Breach of Term**

We agree that where there has been a breach of any term (express or implied) which would otherwise result in Us automatically being discharged from any liability, then such a breach shall result in any liability We might have under this policy being suspended. Such a suspension will apply only from the date and time at which the breach occurred and up until the date and time at which the breach is remedied. This means that We will have no liability in respect of any loss occurring, or attributable to something happening, during the period of suspension.

**Terms not relevant to the actual loss**

Where there has been non-compliance with any term (express or implied) of this policy, other than a term that defines the risk as a whole, and compliance with such term would tend to reduce the risk of:
- loss of a particular kind, and/or
- loss at a particular location, and/or
- loss at a particular time,
then We agree that We may not rely on the non-compliance to exclude, limit or discharge Our liability under this policy if You show that non-compliance with the term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.
